

# GUARD YOUR HEALTH

**AVOID ALUM**

Vigorous Health is the most Dependable Wealth to possess.  
It reaps a steady harvest.  
Alum in food will change Health's ruddy glow into pinched paleness by drying up the rich red blood, which nature provides.  
You take alum into your food by the use of, so called, cheap Powders in which alum is used as a cheapening substitute for pure Cream of Tartar. There is only one sure way to guard your health against alum and its injurious effects—Buy only an absolutely pure Grape Cream of Tartar Baking Powder—buy by the name—

**Say plainly—  
ROYAL BAKING POWDER**

Royal is made from absolutely pure Grape Cream of Tartar.  
Royal is a safe-guard to health.

## HORRIBLE CRIME

**Charged Against John Stites, of the Whitesville Country, by His Own Daughter.**

John Stites, a resident of the Whitesville neighborhood, was arrested Saturday afternoon on the charge of attempted assault upon his own daughter, Mrs. Joseph Howard. The warrant was taken out before Judge Pat Howard at Whitesville, by Joseph Howard, and was served by Marshal Jackson. Stites was presented before Judge Howard and executed bond in the sum of \$500 for his appearance before County Judge Owen for examining trial yesterday. Stites' offense is said to have been committed at the home of his daughter, about four miles west of Whitesville. It is said that this is his second attempt.

When arrested Stites made the statement that the charge was made against him by Howard through spite. Stites moved to Whitesville about eighteen months ago from the Pettit neighborhood.

### Among the Lodges.

Keystone Chapter No. 110 had no meeting last Saturday night, on account of the rain storm. The next meeting will be the first Saturday night in December, and there is work of importance. Every member should attend.

Rough River Lodge No. 110, Knights of Pythias, had a most enjoyable meeting Tuesday night. Two strangers were initiated into the mysteries of the rank of Page, and one friend was proven in the rank of Esquire. The lodge will put on the second and third ranks next Tuesday evening. All members are urged to attend.

The Maccabee lodge held its regular meeting last night. The attendance was lessened by the high water, which prevented the members from the country, with which this lodge is largely made up, from attending. Next Thursday night will be the regular election of officers for the coming semi-annual term, and it is hoped there will be a large attendance of the members.

### Collins-Fuqua.

Mr. Paul D. Fuqua and Miss Kathryn Collins were married Monday afternoon at the Methodist parsonage by Rev. James A. Lewis. The ceremony was witnessed by Miss Annie Collins, sister to the bride, and Miss Ida Lewis and Mr. E. W. Cooper.

Mr. Fuqua was for a long time connected with the M., H. & E. railroad in the capacity of civil engineer. More recently he has been connected with the Southern railroad with headquarters at Chattanooga, Tenn. Miss Collins was one of the most charming young ladies of Hartford, and has the good wishes of all in her new relations in life. Immediately after the ceremony they left for Memphis, Tenn., to visit the bride's father, Mr. John R. Collins. Later they will go to Chattanooga to reside.

### Ready For Tobacco.

The Equity pooling houses throughout the county are now open for the receipt of tobacco and many farmers are taking advantage of the present season to strip and deliver a part or all of their crop. The advance this year is much better than heretofore, five grades ranging from \$5 to \$6. These figures should be highly satisfactory to the tobacco growers, in view of the fact that three years ago the same tobacco, for which they are now receiving \$5, \$5.50 and \$6 advance, sold at Owensboro for \$3, \$2.50 and \$2. There are reports of a few farmers who pooled their 1904 crop being dissatisfied, because the tobacco has not been sold. These few should recall the fact that they have already received more on their tobacco than they could have received had it not been for the organization of the tobacco growers through the A. S. of E.

### FOR THE BUSY READER.

Bishop John J. Tigert of the W. E. church South, died at Tulsa, Indian Territory, Wednesday. He resided in Louisville and was one of the best known and ablest men of his church.

The Court of Appeals has affirmed the judgment of the Clark Circuit Court in the case of French against the Commonwealth in which French was fined \$5,000. Also a similar case against Felix Feltner, in which he was fined \$3,000, and sentencing him to two years in the Clark county jail. The cases grew out of the attempts to bribe certain witnesses in the Marcum-Hargis case.

### Thanksgiving Service.

Regular Thanksgiving service will be held at the Methodist church next Thursday, with a sermon at 11 o'clock a. m., by Rev. Jas. A. Lewis. All Christians and all patriotic citizens, both Jews and Gentiles, are cordially invited to join in the service.

Business men and professional men are requested to close their houses and offices from 10 a. m. to 3 p. m., go to church and then to

Thanksgiving dinner and enjoy a good day. "Eat the fat and drink the sweet," and send portions to them "for whom nothing has been provided," as directed in God's word.
